Graduation Requirements

To be audited in a timely fashion, students should submit their Intent to Graduate information (Becker Insite) no more than two semesters prior to their intended graduation date. Please use the following deadlines:

- May 1 - for the following December graduation date
- July 1 - for the following May graduation date
- December 1 - for the following August graduation date

- A student must complete at least 50% of his/her coursework at a regionally accredited baccalaureate degree-granting institution to receive a baccalaureate degree from Becker College.
- The student must complete at least 25% of his/her coursework at Becker College to receive a baccalaureate or associate degree from Becker College.
- The student must complete the course work required and the number of semester hours specified to be awarded his/her degree with a minimum cumulative grade point average of 2.00. The final CGPA is not rounded.
- Foundations/Developmental/Preparatory courses will not transfer into Becker for credit toward graduation requirements (see course description for notation of Foundation/Developmental/Preparatory course type).
- All financial obligations of the student must be successfully completed. Degrees will not be granted to any student having debts outstanding.

Students may receive dual degrees only by meeting the individual requirements of ROTH degrees.
