*The Commonwealth of Massachusetts requires all students enrolled at least three-quarter time (9 or more credits per semester) to be covered under an acceptable health insurance plan. Students enrolled at least three-quarter time will be automatically billed for the cost of the College insurance unless a health insurance waiver is submitted annually. The waiver may be completed online at www.universityhealthplans.com.

Billing Procedures

Tuition and fees are billed two weeks prior to the beginning of each module. Most forms of financial aid may be used as a credit toward the bill. It is the student’s responsibility to pay any balance remaining after financial aid. All balances must be paid on or before the first day of class unless another payment arrangement has been made with the Office of Student Accounts. Students may contact their office at 508-373-9437 with any questions.
