If you have questions prior to the Bridge Program, you can email your academic advisor, whose name and email is located on your Insite account.

Breakfast, lunch and dinner will be provided each day during the program. If you have food restrictions, please contact Robert.wilder@becker.edu to discuss meal options. There will be additional pizza and ice cream socials later in the evening. However, please bring additional spending money if you plan to purchase snacks or additional food.

Transportation
Transportation will be provided to/from both campuses during the Bridge Program. Please be sure to know the location for pick up/drop off, which will be provided at the beginning of the program.
