To connect any of your mobile devices to the Becker student wireless network, please connect to the “BCStudent” network. Instructions are below.

To connect to the BCStudent Network from an iPhone/iPad/iPod:

1. Click the Settings icon on your device.

2. Click on Wi-Fi.
3. Click on BCStudent.

4. You will see a screen that says ForeScout. Enter your standard Becker College username using no spaces (first initial middle initial last name, class year) and your network password and click login.
5. Once entered correctly, you will see the following confirmation screen. Congratulations you are now all set.

If after trying the steps above and you are still unable to connect to the Becker wireless network, please use the following information to assist you with your connection issues:

To call the Central Help Desk from on campus, dial 1999.

To reach the Help Desk from off campus, call 508.373.1999 or 800.630.8986.

In addition to calling the Central Help Desk, you can use our Live Help feature below:

Or you can Email the Help Desk at helpdesk@becker.edu.

Lastly you may also enter a Help Desk ticket directly into our new online system by clicking here.
